

JULY 2024 NEWSLETTER EDEN'S *Song* MINISTRY

MISSIONARY UPDATE – SERVANTCARE

Eden's Song has partnered with Servant Care for several years now. ServantCARE is a Christian ministry committed to serving missionaries, pastors & those in ministry without supplanting the support provided by mission agencies or ministries. Instead they enhance that care by providing additional & supplemental services such as providing needed quiet rest or healing from wounds of conflict & persecution. Some may simply need to be heard, understood & supported in their time of trials. Whatever their needs, Servant Care seeks to be an instrument of refreshment & restoration. They offer...

Hospitality Homes – Available housing for missionary furloughs & sabbaticals. (Contact them at www.servantcare.com to apply)

Equipping the Saints – ServantCARE desires to see the Body of Christ come to maturity in relation to missions, hospitality, servanthood (ministry to others), evangelism, intercessory prayer & strategic prayer. They are also available to teach in small groups & churches on these subjects. (Contact them at www.servantcare.com to extend an invitation)

Prayer Shield – ServantCARE provides effective prayer support with over 160 intercessors in 4 nations with wonderful praise reports!

CARE Packs - CARE Packs are filled with necessities & missed favorites from back "home" & sent to missionary families as reminders that they are cared for & loved.

Regional CARE Locations – ServantCARE offers 7 safe homes for missionaries to obtain personal ministry with certified & licensed couples

Retreat Centers – ServantCARE has 3 available homes for short retreats or lengthy sabbaticals for Missionaries, pastors & those in ministry.

Resource Links - ServantCARE makes available 25 pages of resources information in many areas

YOU'RE *Chanaina* LIVES THROUGH YOUR GIVING

Each year Roy & I stop to review the past year & seek God over the New Year. In January He told us to hold on to our seatbelts and He meant it. This year came in so fervently we barely had time to breath. This month we stopped for a couple weeks to look in awe at where God has brought us from, as well as where He is taking us! We praise Him for going before us in all areas to break new ground as we move to encourage and teach new teams to Serve Those Serving Others. We thank Him for the opportunity to move into our church where we were blessed with twice the room for our assembly teams allowing us the vision to grow and serve even more missionaries. We thank Him for the ability to stop traveling for a season to really concentrate on serving our missionaries with updated and new resource information. We miss the personal connection but by staying home, Roy & I have been able to dig in deep so we have a better idea how to serve those on the field.

We are grateful for your faithfulness in praying & in giving, whether monetarily or with goods. None of this significant work would be possible without your support. We are privileged to have you partner with us in bringing hope and purpose to so many missionaries around the world. God has honored each of us with the compassionate care of our boots-on-the-ground hero's as well as those they are serving. Every single kit or media piece brings a new measure to how they are able to care for those people groups God has called them to! **10 For God is the one who provides seed for the farmer and then bread to eat. In the same way, he will provide and increase your resources and then produce a great harvest of generosity in you. 11 Yes, you will be enriched in every way so that you can always be generous. And when we take your gifts to those who need them, they will thank God. 12 So two good things will result from this ministry of giving—the needs of the believers in Jerusalem will be met, and they will joyfully express their thanks to God. 13 As a result of your ministry, they will give glory to God.**

This year we've decided *not* to hold our annual auction but soon we will announce a date for a Vision Meeting Dinner Party that you will all be invited to be a part of. Our hope is to be a voice for the missionaries on the field; to bring a culture of missions to the forefront of every mind.

WE'RE OFF TO THE RACES

When Roy & I are in Kenya we spend a LOT of time in orphanages & children's homes. One of our boys was excited to show us the car he & his friends made! It was very creative, but they were the first boys to receive brand new wooden cars!

We are continually blessed by our dear friend, Steve Dalman, who we affectionately call the Toy Man. For years Steve has provided us with wooden cars, trucks, rocking horses, spatulas, beautiful heart jewelry boxes, necklaces & barrettes which the kids & mama's love. Steve has blessed our ministry & those we serve in so many ways! We love him, his wife Karen & their hearts for missions.

Steve's woodwork is unmatched as is his love for Jesus.
