YOU'RE *Changing* LIVES THROUGH YOUR GIVING

THANK YOU!! FROM THE BOTTOM OF OUR HEARTS!

You have outdone yourselves in generosity!! Because of your prayers, monetary contributions and product donations, Eden's Song has nurtured missionaries with an added ability to serve those they have been globally called to. Eden's Song has expanded into 74 countries while serving over 150 missionaries. God is on the move and, as He moves, so do our boots-on-the-ground warriors. Do you know that every kit we ship, as well as every piece of electronic, carries the Word of God with it; through a Bible, Book of Hope or the audio Bible, the Word reaches every person our missionaries touch.

This year you put **1915** children in school with a full school backpack, helped birth **965** babies with our mid-wife kits and kept **620** girls in school because of the feminine hygiene bags made by Peggy Johnson and her team. Plus, we are still packing!! Along with that, you've helped Missionaries, Pastor's, School Teachers and Ministry Leaders keep in touch with the world as well as homeschool kids through **86** laptops, iPods, Kindles and computer stations. Eden's Song has also provided resources to send 6 of our Bungoma Children's Home boys to high school plus funds to offer micro loans to entrepreneurs in Uganda.

Roy, I and all of you who make up Eden's Song Ministry can look forward to serving even more missionaries in 2025 as we expand our base and resources. We are partnering with Churches and training ministries to increase our footprint, share our resources or even assist them to start their own "Eden's Song" ministry. As Eden's Song moves into the 19th year of Serving Those Serving Others, Roy & I look forward to expanding our vision in order to assist our missionaries in discipling nations in a greater way.

LET'S MAKE MIDWIFE KITS

Since 2021, there are many countries who have not opened their hospitals back up to include the care of newborns. Because of that many more MidWife clinics have been built or added on to in order to take on the expansion of need. Eden's Song MidWife kits provide not only the medical supply needs (thanks to Mission Regan) but also a baby layette and a gift bag for the mama's. This is where YOU come in. You can help *if you sew* by making us receiving blankets (we need up to 900 per year) or drawstring tote bags. You can help *if you crochet* by making us baby booties and/or baby hats. You can help also by visiting our [Amazon Wishlist](#) to buy baby blankets, diapers, maxi pads and other items suggested for these kits.

Please email Deb for more information!

PROVIDE HOSPITAL BAGS

Eden's Song offers "Hospital Bags" for children the days following surgeries. Often they stay in the hospital a few days and these bags put a smile on their faces while giving them something to do. Our hospital bags hold a small baby blanket, washcloth, toothbrush, toothpaste, Book of Hope, coloring book, crayons, wooden toy and teddy. YOU can help by making these bags for us or purchasing these items from the [Amazon Wishlist](#) or even sewing baby blankets OR teddy bears!!

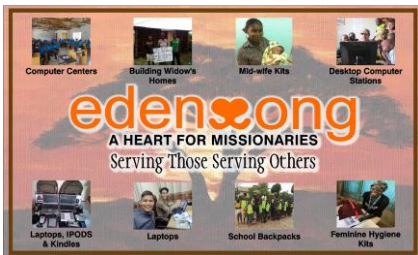

Please email Deb for more information!

MEDIA

We need & want your used laptops, Kindle readers, Fires or other tablets!

You can be a part of a child being able to do his or her homework, a Pastor taking sermons with him as he travels or missionaries having needed books at their fingertips. Our missionaries are hungry for media items and Roy is excellent at making them just like new. We add covers to the readers & tablets as well as laptop cases or sleeves. We ask that the items you donate are no older than 6 years. Roy refurbishes the Laptops and Tablets adds software with MS Office while Kindles are filled with a starter library.

WE'RE OFF TO THE RACES

2025 is a new year and one we are excited to embrace as we expand our mission field, update the resource center on the website as well as the Learning Center just for our missionaries.

ESM is adding a new team starting in January on Thursday's from 5:15-6:30 so those of you who work can join in the fun when you get off! So now you have 3 teams to choose from & if you have a rotating schedule at work, you can join a different team each week where you will find an atmosphere of fellowship, brimming with a passion for serving those on the mission field. You don't have to worry about not knowing 'how to do it', there are plenty of seasoned volunteers to help you get started as well as plenty of areas to work at what you feel most comfortable & suited in doing.
